## **Women's Health and Cancer Rights Act of 1998**

## Introduction

### About Your Health Plan from Kaiser Permanente's HMO Plan

You have selected the Kaiser Permanente HMO Plan.

For benefits provided under any other Health Plan program, refer to that plan's EOC.

Kaiser Foundation Health Plan of Georgia, Inc., is sometimes referred to as "Health Plan", "we", "our", or "us"

Kaiser Foundation Health Plan of Georgia, Inc. is a nonprofit health care service plan. We provide or arrange medical care for Members on a pre-paid basis.

The Group Agreement plus this EOC make up the entire contract between Kaiser Foundation Health Plan of Georgia, Inc. (Health Plan) and your Group. Your EOC is customized to inform you of what services are specifically available to you and what your out-of-pocket expenses will be. For a summary of this information, please refer to the "Schedule of Benefits" section of this EOC. It is important that you familiarize yourself with your coverage by reading this EOC completely, so that you can take full advantage of your health plan benefits.

This EOC replaces all information that you may have received in previous EOCs from us. It is important that you use only the latest EOC as your reference because your benefits may have changed. We may modify this EOC in the future, subject to Department of Insurance approval. If we do, we will notify your Group in writing before the changes are effective. If your Group continues to pay Premiums or accepts the changes after they have gone into effect, your Group will have consented to the changes. This consent will also apply to you and to your enrolled Dependents.

In this EOC, you and your covered Dependents are sometimes referred to as "you" or "your". Health Plan is sometimes referred to as "we", "our", or "us". Further, some capitalized terms may have a special meaning in this EOC; please see the "Definitions" section for terms you should know.

We provide health care benefits to Members using Medical Group Physicians, Affiliated Community Physicians, and other Plan Providers located in our Service Area, which is described in our "Definitions" section. All covered Services must be Medically Necessary to prevent, diagnose, or treat a medical condition, and must be provided, prescribed or directed by a Plan Provider.

You must receive all Services from Plan Providers within our Service Area, except as described under the following headings:

- Emergency Services;
- Getting a Referral; and
- Visiting Other Regions.

You may be required to pay Copayments, Annual Deductible(s), any other deductible(s) applicable to the benefit, and Coinsurance for some Services. When you pay a Copayment, Annual Deductible and Coinsurance ask for and keep the receipt. There are limits to the total amount of Copayments, Coinsurance and deductibles you must pay each Year for certain covered Services covered under this EOC. Refer to the "Schedule of Benefits" section for more information.

## Premium, Eligibility, Enrollment and Effective Date

By payment of Premium, you accept this EOC for yourself and all your enrolled Dependents.

Please notify us immediately if you moved outside of our Service Area or are temporarily outside our Service Area for more than 90 days.

### **Surviving or Divorced Spouse**

In the event of the death of the Subscriber, the surviving spouse loses eligibility at the end of the month in which the Subscriber died. A divorced spouse of a Subscriber loses eligibility at the end of the month the divorce is final.

### **Dependent child**

A child loses eligibility:

- At the end of the month in which the child marries, regardless of age; or
- At the end of the month in which the child reaches the applicable age limit or no longer meets all of the other requirements of this plan for Dependent status.

## **Enrollment and Effective Date of Coverage**

### **Initial Enrollment**

Once your Group informs you that you are eligible to enroll as a Subscriber, you may enroll yourself and any eligible Dependents by submitting a Health Plan-approved enrollment application to your Group within 31 days of your eligibility.

Your Group will inform you of the effective date of coverage for you and your eligible Family Dependents.

If you or your Dependents do not enroll when first eligible you must wait until the next open enrollment period as determined by your Group (see "Special Enrollments" section).

### **Special Enrollment due to newly eligible Dependents:**

- Newly eligible Dependents includes:
- New Spouse;
- New step children;
- Newborns
- Newly adopted children, including children placed with you for adoption;
- Children for whom you assume legal guardianship; and
- Children for whom you have a court order to provide coverage.

You may enroll as a Subscriber (along with any eligible Dependents) and existing Subscribers may add eligible Dependents, by submitting a Health Plan-approved enrollment application to your Group within 31 days after a Dependent becomes newly eligible.

The membership effective date for the Dependent (and, if applicable, the new Subscriber) will be:

For newborn children, the date of birth. A newborn child is automatically covered for the first 31 days, but must be enrolled, and any additional premium paid within 31 days after birth for membership to continue.

For newly adopted children, the effective date of coverage is from either the date of legal placement for adoption or the final adoption decree, whichever is earlier, but the child must be enrolled, and any additional premium paid within 31 days of that date for membership to continue.

For other than newborn and newly adopted children, the effective date of coverage for new Dependents is the first of the month following the date of enrollment application so long as any additional Premiums due is paid.

**Note:** In order to be covered, all Services for any newborn child must be provided or arranged by a Plan Physician.

### **Special enrollment due to loss of other coverage**

- The enrolling persons had other coverage when you previously declined Health Plan coverage for them (some groups require you to have stated in writing when declining Health Plan coverage that other coverage was the reason); and
- The loss of the other coverage is due to (i) exhaustion of COBRA coverage, or (ii) in the case of non-COBRA coverage, loss of eligibility or termination of employer contributions, but not for individual nonpayment. For example, this loss of eligibility may be due to legal separation or divorce, reaching the Dependent limiting age shown in the "Schedule of Benefits" section, or the Subscriber's death, termination of employment, or reduction in hours of employment.

- Loss of eligibility of Medicaid coverage or Child Health Insurance Program coverage, but not termination for cause.
- The enrolling person(s) have reached a lifetime maximum on all benefits under the other coverage.

NOTE: If you are enrolling yourself as a Subscriber along with at least one eligible Dependent, it is necessary for only one of you to lose other coverage and only one of you to have had other coverage when you previously declined Health Plan coverage.

Your Group will let you know the membership effective date, which will be no later than the first day of the month following the date that your Group receives the enrollment application.

Your Group will let you know the membership effective date, which will be no later than the first day of the month following the date that your Group receives the enrollment application.

### **Special enrollment due to eligibility for premium assistance under Medicaid or CHIP**

You may enroll as a Subscriber (along with any or all eligible Dependents), and existing Subscribers may add any or all eligible Dependents, if the Subscriber or at least one of the enrolling Dependents becomes eligible to receive premium assistance under Medicaid or CHIP. To request enrollment, the Subscriber must submit a Health Plan approved enrollment or change of enrollment application to your Group within 60 days after the Subscriber or Dependent is determined eligible for premium assistance. The effective date of an enrollment resulting from eligibility for the premium assistance under Medicaid or CHIP is not later than the first day of the month following the date your Group receives an enrollment or change of enrollment application from the Subscriber.

### **Open enrollment**

You may enroll yourself and any eligible Dependents, or you may add any eligible Dependents to your existing account (including Dependents not enrolled when first eligible), by submitting a Health Plan-approved enrollment application to your Group during the open enrollment period. Your Group will let you know when the open enrollment period begins and ends and the effective date of coverage.

Enrollment rules vary from group to group. You should check with your Group about the rules that apply to you.

## **How to Obtain Services**

As a Member, you are selecting Kaiser Permanente as your health care plan. The Services described in this EOC are covered ONLY if they are benefits provided, prescribed or directed by a Plan Physician and are Medically Necessary. Some Services will also require Prior Authorization by Health Plan. When you receive covered Services for which you do not have Prior Authorization or that you receive from non-Plan Physicians or from non-Plan Facilities that have not been approved by us in advance, we will not pay for them except in an Emergency. Charges for these medical services will be your financial responsibility. You must receive all Services from Plan Providers, except as described under the following headings:

- Emergency Services,
- Getting a Referral
- Visiting Other Regions

You may choose to receive certain covered high tech radiology Services at a facility operated by Health Plan such as our medical centers or at an outpatient facility designated by Health Plan. Refer to our Physician Directory or you may access our website at [www.kp.org](http://www.kp.org) for a list of locations where you may receive your Services. Your Cost Sharing typically is lower when you receive covered Services at facilities operated by Health Plan.

To receive and/or to be eligible for payment for covered Services, you must be enrolled in the Health Plan on the date on which you receive each covered Service. Anyone who is not a Member will be billed for any Services we provide in the amount of the applicable Eligible Charge. Requests for payment from Plan Providers for covered Services will be denied if you are not a Member on the date of which the Services are rendered.

Covered Services for Members are provided or directed Medical Group and by Affiliated Community Physicians. Medical Group Physicians provide Services at Kaiser Permanente Medical Centers in the Service Area. Affiliated Community Physicians provide services in their own medical offices.

The Medical Group and Affiliated Community Physicians assume responsibility for your care; and they either provide your care directly or refer you to other Plan Providers or Designated Specialist Physicians who are specialists for Services that are Medically Necessary.

You may be required to pay Copayments, Annual Deductible(s), any other deductible(s) applicable to the benefit, a specific Service, and Coinsurance for some Services. When you pay a Copayment, Annual Deductible, deductible and Coinsurance ask for and keep the receipt. There may be limits to the total amount of Copayments, Coinsurance and deductibles you must pay each Year for certain Services covered under this EOC. Refer to the "Schedule of Benefits" section for more information.

## Choosing your Personal Physician

Your Kaiser Permanente personal physician plays an important role in coordinating your health care needs, including Plan Hospital stays and referrals to other Plan Providers. We encourage you to choose a Medical Group Physician or an Affiliated Community Physician as your personal physician when you enroll.

You and each member of your family will need to select a personal physician upon enrollment. You may choose any Plan Physician who is available to accept you. If you do not select a personal physician upon enrollment, we will assign a Medical Group Physician or an Affiliated Community Physician based upon your home address. That Plan Physician will be listed in our records as your personal physician until you select your personal physician and inform us of your decision.

The following types of Plan Physicians may be chosen as a personal physician:

- Family Practice
- Internal Medicine
- General Practice, or
- Pediatrics/Adolescent Medicine for members who are under age of 19

Adults should select an internal medicine, general practice or family practice physician. Parents may choose a pediatrician as the personal Plan Physician for their child. Parents may also choose a family practice, or general practice physician for their children, or a family practice physician can be selected for the entire Family. **NOTE:** Some general practitioners only treat adults. Please verify when scheduling an appointment for your child with a general practitioner that such Plan Physicians treat children. To learn how to choose or change a personal physician, please call our Member Services Department, Monday through Friday from 7 a.m. to 7 p.m. at (404) 261-2590 (local) or 1-888-865-5813 (long distance). You can access our Web site at [www.kp.org](http://www.kp.org) to choose a personal physician or to view a current listing of physicians.

## Changing your Personal Physician

You may change your Kaiser Permanente personal physician as often as you wish using one of the options listed below. Make sure to have your Kaiser Permanente health record number available.

- Call our Member Service Department Monday through Friday from 7 a.m. to 7 p.m. at (404) 261-2590 (local) or 1-888-865-5813 (long distance).
- Notify your health care team while visiting one of our Medical Centers.
- Access our website at [www.kp.org](http://www.kp.org).

## Referrals

If your Kaiser Permanente personal physician determines that you require covered Services from a specialist, you will be referred to a Plan Provider.

You are required to obtain a referral from your Kaiser Permanente personal physician prior to receiving specialty care Services, except as noted, in the Self-Referral section below. Your Kaiser Permanente personal physician will refer you to other Plan Physicians when you need covered Services from other Plan Providers and will obtain Prior Authorization for covered Services when required under Health Plan's Quality Resource Management Program. If you request Services which are not Medically Necessary or exceed the specific Services (for example, exceed the number) authorized by us, then you will be responsible for all charges associated with these unauthorized Services, and Health Plan will not pay for such Services.

If your Kaiser Permanente personal physician decides that you require covered Services not available from Plan Providers, he or she will refer you to a non-Plan Provider. This referral must also be approved prior to Services being rendered. You must have an approved written referral to the Plan Provider, when required, or non-Plan Provider in order for us to cover the Services. You will be responsible for the same Copayments, Coinsurance and/or deductible amounts that would be owed by you if such approved referral Service was being provided by a Plan Provider. If you change personal physicians, you need to discuss the specialty referral with your new personal physician to obtain a new referral.

If you receive specialty Services for which you did not obtain a referral, you will be responsible for all charges associated with those Services including but not limited to, any Cost Sharing that you may owe for such Services. Additionally, ongoing referrals for specialty Services must be made by your current personal physician at the time of the referral.

## Self-Referral

You do not need a referral from your Kaiser Permanente personal physician for appointments with dermatologists, psychiatrists, behavioral health specialists, optometrists, and ophthalmologists and any specialist in the Medical Group. Your personal physician works with specific specialty groups and may recommend a specialist to you. You may also choose one of the self-referral specialists.

Female Members do not need a referral or Prior Authorization in order to obtain access to obstetrical or gynecological care from a Plan Physician who specializes in obstetrics or gynecology. The Plan Physician, however, may have to get Prior Authorization for certain Services.

## Hospital Care

Hospital Services, other than Emergency Services, require Prior Authorization and will be arranged by your Plan Physician, and except when we authorize otherwise, will generally be provided at a Plan Hospital that we designate. We may direct that you receive covered hospital Services at a particular Plan Hospital so that we may better coordinate your care using Medical Group Plan Physicians and our electronic medical record system.

Plan Hospitals are listed in your Physician Directory. This listing is subject to change during the Year.

## Getting the Care You Need

### Emergency Services and Urgent Care

#### Emergency Services

Emergency care is covered 24 hours a day, 7 days a week, anywhere in the world.

If you have an Emergency Medical Condition, call 911 (where available) or go to the nearest hospital emergency department. You do not need Prior Authorization for Emergency Services. When you have an Emergency Medical Condition, we cover Emergency Services that you receive from Plan Providers or non-Plan Providers anywhere in the world, as long as the Services would have been covered under the "Benefits" section (subject to the "General Exclusions, Limitations, and Reimbursement of Health Plan, and Coordination of Benefits (COB)" section) if you had received them from Plan Providers. Emergency Services are available from Plan Hospital emergency departments 24 hours a day, seven days a week.

#### Post-Stabilization Care

Post-Stabilization Care is Medically Necessary Services related to your Emergency Medical Condition that you receive after your treating physician determines that your Emergency Medical Condition is Stabilized. We cover Post-Stabilization Care only if we provide Prior Authorization for the Services. **Therefore, it is very important that you, your provider, or someone else acting on your behalf, call us to notify us that you need Post-Stabilization Care and to get authorization from us before you receive the care.**

After we are notified, we will discuss your condition with your emergency care Provider. If your emergency care is provided by non-Plan Providers, we will try to arrange for Plan Providers to take over your care as soon as your medical condition and the circumstances allow as we determine. If we decide that you require Post-Stabilization Care and that this care would be covered if you received it from a Plan Provider, we will authorize your care from the non-Plan Provider only if we cannot arrange to have a Plan Provider provide the care. If we decide to have a Plan Hospital, Skilled Nursing Facility, or designated non-Plan Provider provide your care, we may authorize special transportation that is medically required to get you to the provider. This may include transportation that is otherwise not covered.

Even if you receive emergency care from a Plan Provider, you must still obtain Prior Authorization from us *before* you receive Post-Stabilization Care. We may direct that you receive covered Post-Stabilization Care at a particular Plan Hospital so that we may better coordinate your care using Medical Group Physicians and our electronic medical record system, or at a Skilled Nursing Facility. **We will only pay for Post-Stabilization Care at the Plan Provider authorized by us.**

To request Prior Authorization for Post-Stabilization Care, you, your provider or someone else acting on your behalf must call us at (404) 365-0966 (local) or 1 (800) 611-1811 (long distance), or the notification telephone number on your Kaiser Permanente ID card *before* you receive the care. If you or your treating providers do not obtain Prior Authorization from us for Services that require Prior Authorization, we will not pay any amount for those Services and you may be liable to pay for these Services, in addition to any amounts such as deductibles, co-payments or coinsurance.

### **Preventive Service**

Preventive Services are described under “Preventive Visits and Services” in our “Benefits” section and are limited to as described therein. There is no Cost Sharing for Preventive Services as described under “Preventive Visits and Services” in our “Benefits” section. However, Cost Sharing will apply if non-Preventive Services are provided during a scheduled preventive visit.

### **Cost Sharing**

Please refer to the “Schedule of Benefits” for Cost Sharing for emergency department visits.

If you are admitted to a hospital from its emergency department because your condition is not stabilized, the Cost Sharing for Plan Providers shown under “Hospital Inpatient Care” in the “Schedule of Benefits” section of this EOC applies. If you obtain Post-Stabilization Care from a Plan Provider or from a non-Plan Provider after Prior Authorization, your Cost Sharing would also be the Cost Sharing shown under “Hospital Inpatient Care” in the “Schedule of Benefits” section of this EOC.

### **Services not covered under this “Emergency Services” section**

Coverage for covered Services that are not Emergency Services or Post-Stabilization Care as described in this “Emergency Services” section will be covered as described under other sections of this EOC.

### **Payment and Reimbursement**

If you receive Emergency Services or Post-Stabilization Care from a non-Plan Provider as described in this “Emergency Services and Urgent Care” section, or emergency ambulance transportation described under “Ambulance Services” in the “Benefits” section or “Schedule of Benefits” section, you will have to pay the non-Plan Provider and file a claim for reimbursement unless the non-Plan Provider agrees to bill us. Also, you may be required to pay and file a claim for any Services prescribed by a non-Plan Provider as part of covered Emergency Services or Post-Stabilization Care even if you receive the Services from a Plan Provider.

We will reduce any payment we make to you or the non-Plan Provider by applicable Cost Sharing.

### **Urgent Care**

An Urgent Care condition is one that requires prompt medical attention but is not an Emergency Medical Condition.

#### **During Normal Business Hours**

If you think you may need Urgent Care during normal business hours call your Plan Physician’s office or our Health Line is available 24 hours a day, 7 days a week (404) 365-0966 (local) or 1-800-611-1811 (long distance).

#### **After Normal Business Hours**

If you think you may need Urgent Care after normal business hours call our Health Line. We cover Urgent Care Services at our designated **Kaiser Permanente After-Hours Care Centers**. Services must be obtained at **Kaiser Permanente After-Hours Care Centers** or at the Affiliated Community After-Hours Urgent Care Centers designated by Health Plan.

#### **After-Hours Urgent Care**

If you need After-Hours Urgent Care, as described under “Benefits” for an illness or injury of a less critical nature (such as the flu, stomach pain, vomiting, migraine headache, sprain, etc.) you may call our Health Line, 24 hours a day, 7 days a week, (404) 365-0966 (local), or 1-800-611-1811 (long distance).

Our advice nurses, who are registered nurses (RNs), are specially trained to help assess medical problems and provide medical advice when medically appropriate. They can help solve a problem over the phone and instruct you on self-care at home if appropriate. If the problem is more severe and you need an appointment, they will help you get one.

After-Hours Urgent Care is available at the **Kaiser Permanente After-Hours Care Centers** or the Affiliated Community After-Hours Urgent Care Centers listed in your Physician Directory.

If you have selected an Affiliated Community Physician, you may call your physician's office during regular office hours or you may call our Health Line that is available 24 hours a day, 7 days a week.

For information about Emergency Services or After-Hours Urgent Care refer to "Emergency Services" in the "Benefits" section.

### **Cost Sharing**

The Cost Sharing for covered Services that are Urgent Care is the Cost Sharing required for Services provided by Plan Providers as described in the "Schedule of Benefits" section.

Please refer to "Emergency Services" in the "Schedule of Benefits" section for the Cost Sharing for Urgent Care consultations and exams.

### **Services not covered under this "Emergency Services and Urgent Care" section**

Coverage for Services that are not Emergency Services and Urgent Care Services as described in this "Emergency Services and Urgent Care" section will be covered as described under other sections of this EOC.

### **Routine Care Appointments**

If you need to make a routine care appointment, please call our Health Line Monday through Friday between the hours of 7 a.m. and 7 p.m., at, (404) 365-0966 (local), or 1-800-611-1811 (long distance) if you have selected a Medical Group Physician as your personal physician. If you have selected an Affiliated Community Physician, then call your physician's office.

### **Rescheduling of Services**

In the event that you fail to make your deductible, Copayment, or Coinsurance payments, your appointments for non-urgent Services from Plan Providers may be rescheduled until such time as all amounts are paid in full or you have made other payment arrangements with us.

### **Missed Appointments**

You must give at least 24 hour notice to your Plan Provider if you are not able to keep your scheduled appointment. If you do not, you may be required to pay an administrative fee and/or pay for the cost of Services that were specifically arranged for your visit as well as the cost of any drugs and supplies that were prepared to your appointment and that cannot be reused.

### **Visiting Other Regions**

If you visit the service area of another Region temporarily (not more than 90 days), you can receive visiting member care from designated providers in that area. Visiting member care is described in our visiting member brochure. Visiting member care and your out-of-pocket costs may differ from the covered Services and Cost Sharing described in this EOC.

The 90-day limit on visiting member care does not apply to Members who attend an accredited college or accredited vocational school. The service areas and facilities where you may obtain visiting member care may change at any time without notice.

Please call our Member Services Department, Monday through Friday from 7 a.m. to 7 p.m. at (404) 261-2590 (local) or 1-888-865-5813 (long distance) to receive more information about our visiting member program, including facility locations in the Service Area of another Region, and to request a copy of the visiting member brochure.

Region, as used in this section, means another Kaiser Permanente plan or allied entity that conducts a direct service health care program. For information about Region locations in the District of Columbia and parts of Southern and Northern California, Colorado, Hawaii, Idaho, Maryland, Oregon, Virginia, and Washington call our Member Services Department.

## Moving Outside Our Service Area

If you move to another Kaiser Permanente plan or allied plan service area, you may be able to apply to transfer your Group membership if there is an arrangement with your Group in the new service area. Contact our Member Services Department or the Member Services Department in your new service area to find out how to apply for membership there.

Eligibility requirements, benefits, Premium, and Copayments may not be the same in the other service area. You should contact your Group's employee benefits coordinator before you move.

If you move outside the Service Area you may continue coverage under this EOC if you:

- Satisfy the Group's eligibility requirements
- Agree in writing to return to the Service Area to receive all of your covered Services, with the exception of Emergency Services, from Plan Providers.

You may do so by completing an Out-of-Area Membership Option Sheet, which may be obtained by calling our Member Services Department at (404) 261-2590 (local) or 1-888-865-5813 (long distance).

## Using your Identification Card

Each Member has a Health Plan ID card with a Health Record Number on it, which is useful when you call for advice, make an appointment, or go to a Plan Provider for care. The Health Record Number is used to identify your medical records and membership information.

You should always have the same Health Record Number. Please let us know if we ever inadvertently issue you more than one Health Record Number by calling our Member Services Department Monday through Friday from 7 a.m. to 7 p.m. at (404) 261-2590 (local) or 1-888-865-5813 (long distance).

**Note:** Health Plan and all Plan Providers must comply with all applicable law pertaining to the disclosure of medical information including those that prohibit disclosure without your consent except as permitted by law.

The most important information on your card is your health record number. Information about your personal physician will also be printed on your card. If you select a Medical Group Physician, "Permanente Medical Group" will be printed on your card. A sticker with your actual personal physician's name will be affixed to your card during your first visit to the Medical Center. However, if you select an Affiliated Community Physician, your personal physician's name and telephone number will be printed directly on your card. Each time you change Affiliated Community Physicians, switch from an Affiliated Community Physician to a Medical Group Physician, or switch from a Medical Group Physician to an Affiliated Community Physician, you will receive a new card to reflect the change.

Also, your ID card is a useful resource when you call for advice or make an appointment. You should take it with you whenever you have an appointment. Providers may request photo identification together with your ID card to verify identity. If you need to replace your card, please call our Member Services Department, Monday through Friday from 7 a.m. to 7 p.m. at (404) 261-2590 (local) or 1-888-865-5813 (long distance).

Your ID card is for identification only. To receive covered Services, you must be a current Health Plan Member. Anyone who is not a Member will be billed the Eligible Charges for any Services we provide and claims for Services from non-Plan Providers will be denied. If you let someone else use your I.D. card, we may keep your I.D. card and terminate your membership.

## Member Confidentiality

Health Plan and Medical Group collect various types of protected health information (PHI). Your PHI includes individually identifiable information about your health, health care services you receive, or payment for your health care.

We may use or disclose your PHI for treatment, payment, health research, and health care operations purposes, such as measuring the quality of Services. In addition, we are sometimes required by law to give PHI to government agencies or in judicial actions. We will not use or disclose your PHI for any other purpose without your (or your representative's) written authorization, except as described in our *Notice of Privacy Practices* (see below).

We will protect the privacy of your PHI. Health Plan and Medical Group employees are required to maintain the confidentiality of our Members' PHI. All providers with whom we contract are also required to maintain confidentiality.

Subject to limitations imposed under state and federal law, you may generally see and receive copies of your PHI, request that we correct or update your PHI, and request an accounting of certain disclosures of your PHI. Note, if

we amend information in your medical record at your request, your original medical record documentation will not be deleted from the medical record.

All requests must be made in writing and should be submitted to the medical record department located in the medical facility that you regularly visit. If you do not know where you received care, the requests should be submitted to the Member Services Department. Note that we may charge a fee for copies provided to you.

**This is only a brief summary of some of our key privacy practices. Our *Notice of Privacy Practices* provides additional information about our privacy practices and your rights regarding your PHI.**

If you have questions about our policies and procedures to maintain the confidentiality of your PHI or would like a copy of our Notice of Privacy Practices, please call our Member Services Department, Monday through Friday from 7 a.m. to 7 p.m. at (404) 261-2590 (local) or 1-888-865-5813 (long distance).

If an injury or illness is caused or alleged to be caused by any act or omission of another party, Services and other benefits that are furnished or arranged by Plan Providers for such injury or illness are payable as Eligible Charges (as defined in the "Definitions" section). Payment of these charges is subject to the provisions of sections "Health Plan's Right of Reimbursement" and "Member's Cooperation Required" shown below.

## **Getting Assistance, Filing Claims, and Dispute Resolution**

### **Getting Assistance**

Our Member Services Department can answer questions you have about your benefits, available Services, and the facilities where you can receive care. For example, representatives can explain your Health Plan benefits, how to make your first medical appointment with a Plan Provider, what to do if you move, what to do if you need care while you are traveling, and how to replace an ID card. These representatives can also help you if you need to request Services, file a claim for or to initiate a grievance for any unresolved problem.

We want you to be satisfied with your health care. Please discuss any problems with your personal physician or the other health care professionals who are treating you.

### **Complaint procedure**

All people who work with the Kaiser Permanente Medical Care Program share responsibility for assuring Member satisfaction. If you have a problem or concern about the manner in which Services are provided by Plan Providers, please ask for our help.

Each Kaiser Permanente Medical Center has an administrator who is responsible for concerns involving the Medical Center. If you have a problem with some aspect of medical service provided by physicians or other providers at one of our Medical Centers, call or visit the administrative office at the Medical Center where you receive your care.

For help with a question or problem involving your coverage (for example, eligibility, enrollment, claims payment, or denial of benefits), call Member Services at (404) 261-2590 (local) or 1-888-865-5813 (long distance). A Member Services Representative will be glad to help.

Give complete information so that the person with whom you speak can work with you to answer your questions and to resolve your problem quickly.

If you are dissatisfied with the way your complaint has been handled, you may request a second review of your complaint. To request a second review, contact the Member Services Department Monday through Friday from 7 a.m. to 7 p.m. at (404) 261-2590 (local) or 1-888-865-5813 (long distance). The Member Services Department will assist you with submitting any additional information related to the second review of your complaint. The Member Relations Department will respond to your request within 14 calendar days.

If your complaint remains unresolved, you may submit your written complaint to the State of Georgia Office of Insurance and Safety Fire Commissioner or Department of Human Services. We will be sent a copy of your complaint. We will respond in writing to the State of Georgia Office of Insurance and Safety Fire Commissioner or Department of Human Services within 10 working days of receipt of the complaint.

### **Claims Procedure**

#### **Important information for members whose benefit plans are subject to ERISA**

The Employee Retirement Income Security Act of 1974 (ERISA) is a federal law that regulates employee benefits, including the claim and appeal procedures for benefit plans offered by certain employers. If your employer's benefit plan is subject to ERISA, each time you request care or Services that must be approved before the care or ser-

Kaiser Foundation Health Plan of Georgia, Inc.

vice is provided, you are filing a “pre-service claim” for benefits. You are filing a “post-service claim” when you ask us to pay for or cover Services that you have already received. You must follow our procedures for filing claims, and we must follow certain rules established by ERISA for responding to your claim.

- Send your claim to us within 90 days or as soon as possible after the Service is first rendered, with itemized bills and receipts attached, if you have already paid bills. In no event, will we process claims greater than 12 months from the date the Services were rendered.

Health Plan will review claims and appeals, and we may use medical experts to help us review them.

The following terms have the following meanings when used in this “Claims and Appeals Procedures” section:

A **claim** is a request for us to:

- provide or pay for a Service that you have not received (pre-service claim),
- continue to provide or pay for a Service that you are currently receiving (concurrent care claim), or
- pay for a Service that you have already received (post-service claim).

An **appeal** is a request for us to review our initial adverse benefit determination.

An **adverse benefit determination** is our decision to do any of the following:

- deny your claim, in whole or in part,
- terminate your membership retroactively except as the result of non-payment of premiums (also known as rescission), or
- uphold our previous adverse benefit determination when you appeal.

If you miss a deadline for making a claim or appeal, we may decline to review it. You must meet any deadlines and exhaust the claims and appeals procedures before you can file a demand for arbitration or civil action under ERISA § 502(a)(1)(B). We do not charge you for claims or appeals, but you must bear the cost of anyone you hire to represent or help you.

Except when simultaneous external review can occur, you must exhaust the internal claims and appeals procedure (as described below in this “Claims and Appeal Procedures” section) for your claim before you can request external review or seek judicial relief.

#### **Language and Translation Assistance**

A threshold language applies to a county if at least, 10% of the population is literate only in the same federally mandated non-English language. You may request language assistance with your claim and/or appeal by calling Member Services Department Monday through Friday from 7 a.m. to 7 p.m. at (404) 261-2590 (local) or 1-888-865-5813 (long distance).

If we send you an adverse benefit determination at an address in a county where a federally mandated threshold language applies, then you may request translation of that notice into the applicable threshold language. We will add the information that you provide through testimony or other means to your claim file and we will review it without regard to whether this information was submitted and/or considered in our initial decision regarding your claim.

### **Sharing Additional Information That We Collect**

We will send you any additional information that we collect in the course of your appeal. If we believe that your appeal of our initial adverse benefit determination will be denied, then before we issue our final adverse benefit

determination we will also share with you any new information that we have collected and/or new or additional reasons for that decision. We will send you a letter explaining the new or additional information and/or reasons and inform you how you can respond to the information in the letter if you choose to do so. If you do not respond before we must make our final decision, that decision will be based on the information already in your claim file.

### **Internal Claims and Appeals Procedures**

There are several types of claims, and each has a different procedure described below for sending your claim and appeal to us as described in this Internal Claims and Appeals Procedures section:

- Pre-service claims (urgent and non-urgent)
- Concurrent care claims (urgent and non-urgent)
- Post-service claims

In addition, there is a separate appeals procedure for adverse benefit determinations due to a retroactive termination of membership (rescission).

**Pre-service claims and appeals.** Pre-service claims are requests that we provide or pay for a Service that you have not yet received. Failure to receive authorization before receiving a Service that must be authorized or pre-certified in order to be a covered benefit may be the basis for our denial of your pre-service claim or a post-service claim for payment. If you receive any of the Services you are requesting before we make our decision, your pre-service claim or appeal will become a post-service claim or appeal with respect to those Services. If you have any general questions about pre-service claims or appeals, please call Member Services at (404) 261-2590 (local) or 1-888-865-5813 (long distance).

Here are the procedures for filing a pre-service claim, a non-urgent pre-service appeal, and an urgent pre-service appeal.

#### **Pre-service claim**

- Tell Health Plan in writing that you want to make a claim for us to provide or pay for a Service you have not yet received. Your request and any related documents you give us constitute your claim. You may call our Member Services Department at (404) 261-2590 (local) or 1-888-865-5813 (long distance), or mail or deliver a letter to:

**Kaiser Permanente  
Member Services Department  
Nine Piedmont Center  
3495 Piedmont Road, NE  
Atlanta, GA 30305-1736**

- If you want us to consider your pre-service claim on an urgent basis, your request should tell us that. We will decide whether your claim is urgent or non-urgent unless your attending health care provider tells us your claim is urgent. If we determine that your claim is not urgent, we will treat your claim as non-urgent. Generally, a claim is urgent only if using the procedure for non-urgent claims (a) could seriously jeopardize your life, health, or ability to regain maximum function, or (b) would, in the opinion of a physician with knowledge of your medical condition, subject you to severe pain that cannot be adequately managed without the Services you are requesting.
- We will review your claim and, if we have all the information we need, we will make a decision within a reasonable period of time but not later than 15 days after we receive your claim. We may extend the time for making a decision for an additional 15 days if circumstances beyond our control delay our decision, if we notify you prior to the expiration of the initial 15 day period. If we tell you we need more information, we will ask you for the information within the initial 15 day decision period, and we will give you 45 days to send the information. We will make a decision within 15 days after we receive the first piece of information (including documents) we requested. We encourage you to send all the requested information at one time, so that we will be able to consider it all when we make our decision. If we do not receive any of the requested information (including documents) within 45 days after we send our request, we will make a decision based on the information we have within 15 days following the end of the 45 day period.
- We will send written notice of our decision to you and, if applicable to your provider.

- If your pre-service claim was considered on an urgent basis, we will notify you of our decision orally or in writing within a timeframe appropriate to your clinical condition but not later than 72 hours after we receive your claim. Within 24 hours after we receive your claim, we may ask you for more information. We will notify you of our decision within 48 hours of receiving the first piece of requested information. If we do not receive any of the requested information, then we will notify you of our decision within 48 hours after making our request. If we notify you of our decision orally, we will send you written confirmation within 3 days after that.
- If we deny your claim (if we do not agree to provide or pay for all the Services you requested), our adverse benefit determination notice will tell you why we denied your claim and how you can appeal.

### **Non-urgent pre-service appeal**

- Within 180 days after you receive our adverse benefit determination notice, you must tell us in writing that you want to appeal our denial of your pre-service claim. Please include the following: (1) your name and Medical Record Number, (2) your medical condition or relevant symptoms, (3) the specific Service that you are requesting, (4) all of the reasons why you disagree with our adverse benefit denial, and (5) all supporting documents. Your request and the supporting documents constitute your appeal. You may call the Appeals Department at (404) 364-4862, or mail or deliver a letter to:

**Kaiser Permanente  
Appeals Department  
Nine Piedmont Center  
3495 Piedmont Road, NE  
Atlanta, GA 30305-1736**

- We will review your appeal and send you a written decision within 30 days after we receive your appeal.
- If we deny your appeal, our adverse benefit determination notice will tell you why we denied your appeal and will include information regarding any further process, including external review that may be available to you.

### **Urgent pre-service appeal**

- Tell us that you want to urgently appeal our adverse benefit determination regarding your pre-service claim. Please include the following: (1) your name and Medical Record Number, (2) your medical condition or symptoms, (3) the specific Service that you are requesting, (4) all of the reasons why you disagree with our adverse benefit determination, and (5) all supporting documents. Your request and the supporting documents constitute your appeal. You must submit your appeal orally, in person or by mail. Your request and the supporting documents constitute your appeal. You may call the Appeals Department at (404) 364-4862, or mail or deliver a letter to:

**Kaiser Permanente  
Appeals Department  
Nine Piedmont Center  
3495 Piedmont Road, NE  
Atlanta, GA 30305-1736**

- When you send your appeal, you may also request simultaneous external review of our initial adverse benefit determination. If you want simultaneous external review, your appeal must tell us this. You will be eligible for the simultaneous external review only if your pre-service appeal qualifies as urgent. If you do not request simultaneous external review in your appeal, then you may be able to request external review after we make our decision regarding your appeal (see “External Review” in this “Claims and Appeals Procedures” section), if our internal appeal decision is not in your favor.
- We will decide whether your appeal is urgent or non-urgent unless your attending health care provider tells us your appeal is urgent. If we determine that your appeal is not urgent, we will treat your appeal as non-urgent. Generally, an appeal is urgent only if using the procedure for non-urgent claims or appeals (a) could seriously jeopardize your life, health, or ability to regain maximum function, or (b) would, in the opinion of a physician with knowledge of your medical condition, subject you to severe pain that cannot be adequately managed without the Services you are requesting.

Kaiser Foundation Health Plan of Georgia, Inc.

- We will review your appeal and give you oral or written notice of our decision as soon as your clinical condition requires, but not later than 72 hours after we received your appeal. If we notify you of our decision orally, we will send you a written confirmation within 3 days after that.
- If we deny your appeal, our adverse benefit determination notice will tell you why we denied your appeal and will include information regarding any further process, including external review, that may be available to you.

**Concurrent Care Claims and Appeals.** Concurrent care claims are requests that Health Plan continue to provide, or pay for, an ongoing course of covered treatment to be provided over a period of time or number of treatments, when the course of treatment already being received is scheduled to end. If you have any general questions about concurrent care claims or appeals, please call Member Services at (404) 261-2590 (local) or 1-888-865-5813 (long distance).

If we either (a) deny your request to extend your current authorized ongoing care (your concurrent care claim) or (b) inform you that authorized care that you are currently receiving is going to end early and you appeal our adverse benefit determination at least 24 hours before your ongoing course of covered treatment will end, then during the time that we are considering your appeal, you may continue to receive the authorized Services. If you continue to receive these Services while we consider your appeal and your appeal does not result in our approval of your concurrent care claim, then you will have to pay for the Services that we decide are not covered.

Here are the procedures for filing a concurrent care claim, a non-urgent concurrent care appeal, and an urgent concurrent care appeal:

**Concurrent care claim**

- Tell us in writing or orally that you want to make a concurrent care claim for an ongoing course of covered treatment. Inform us in detail of the reasons that your authorized ongoing care should be continued or extended. Your request and any related documents you give us constitute your claim. You must call, mail or deliver your claim to us. You may call Member Services at (404) 261-2590 (local) or 1-888-865-5813 (long distance), or mail or deliver a letter to:

**Kaiser Permanente  
Member Services Department  
Nine Piedmont Center  
3495 Piedmont Road, NE  
Atlanta, GA 30305-1736**

- If you want us to consider your claim on an urgent basis and your contact us at least 24 hours before your care ends, you may request that we review your concurrent claim on an urgent basis. We will decide whether your claim is urgent or non-urgent unless your attending health care provider tells us your claim is urgent. If we determine that your claim is not urgent, we will treat your claim as non-urgent. Generally, a claim is urgent only if using the procedure for non-urgent claims (a) could seriously jeopardize your life, health or ability to regain maximum function, or (b) would, in the opinion of a physician with knowledge of your medical condition, subject you to severe pain that cannot be adequately managed without extending your course of covered treatment.
- We will review your claim, and if we have all the information we need we will make a decision within a reasonable period of time. If you submitted your claim 24 hours or more before your care is ending, we will make our decision before your authorized care actually ends. If your authorized care ended before you submitted your claim, we will make our decision but no later than 15 days after we receive your claim. We may extend the time for making a decision for an additional 15 days if circumstances beyond our control delay our decision, if we send you notice before the initial 15 day decision period ends. If we tell you we need more information, we will ask you for the information before the initial decision period ends, and we will give you until your care is ending or, if your care has ended, 45 days to send us the information. We will make our decision as soon as possible, if your care has not ended, or within 15 days after we first receive any information (including documents) we requested. We encourage you to send all the requested information at one time, so that we will be able to consider it all when we make our decision. If we do not receive any of the requested information (including documents) within the stated timeframe after we send our request, we will make a decision based on the information we have within the appropriate timeframe, not to exceed 15 days following the end of the timeframe we gave you for sending the additional information.

- We will send written notice of our decision to you and, if applicable to your provider.
- If we consider your concurrent claim on an urgent basis, we will notify you of our decision orally or in writing as soon as your clinical condition requires, but not later than 24 hours after we received your appeal. If we notify you of our decision orally, we will send you written confirmation within 3 days after receiving your claim.
- If we deny your claim (if we do not agree to provide or pay for extending the ongoing course of treatment), our adverse benefit determination notice will tell you why we denied your claim and how you can appeal.

## **Appeal Procedure**

The process for requesting reconsideration of a denied claim is outlined below. Members covered under an ERISA benefit plan are only required to file one appeal before having a right to take legal action under ERISA to resolve the claim. To submit an appeal, follow the instructions in the denial letter you receive, or if you are unsure, send your appeal to the Appeals Department. They will direct it to the appropriate location for handling.

### **Non-urgent concurrent care appeal**

- Within 180 days after you receive our adverse benefit determination notice, you must tell us in writing that you want to appeal our adverse benefit determination. Please include the following: (1) your name and Medical Record Number, (2) your medical condition or symptoms, (3) the ongoing course of covered treatment that you want to continue or extend, (4) all of the reasons why you disagree with our adverse benefit determination, and (5) all supporting documents. Your request and all supporting documents constitute your appeal. You must send your appeal to our Appeals Department at the address shown below or, call our Appeals Department at (404) 364-4862.

**Kaiser Permanente  
Appeals Department  
Nine Piedmont Center  
3495 Piedmont Road, NE  
Atlanta, GA 30305-1736**

- We will review your appeal and send you a written decision as soon as possible if your care has not ended but not later than 30 days after we receive your appeal.
- If we deny your appeal, our adverse benefit determination decision will tell you why we denied your appeal and will include information about any further process, including external review, that may be available to you.

### **Urgent concurrent care appeal**

- Tell us that you want to urgently appeal our adverse benefit determination regarding your urgent concurrent claim. Please include the following: (1) your name and Medical Record Number, (2) your medical condition or symptoms, (3) the ongoing course of covered treatment that you want to continue or extend, (4) all of the reasons why you disagree with our adverse benefit determination, and (5) all supporting documents. Your request and the supporting documents constitute your appeal. You must send your appeal to our Appeals Department at the address shown below or, call our Appeals Department at (404) 364-4862.

**Kaiser Permanente  
Appeals Department  
Nine Piedmont Center  
3495 Piedmont Road, NE  
Atlanta, GA 30305-1736**

- When you send your appeal, you may also request simultaneous external review of our adverse benefit determination. If you want simultaneous external review, your appeal must tell us this. You will be eligible for the simultaneous external review only if your concurrent care claim qualifies as urgent. If you do not request sim-

ultaneous external review in your appeal, then you may be able to request external review after we make our decision regarding your appeal (see “External Review” in this “Claims and Appeals Procedures” section).

- We will decide whether your appeal is urgent or non-urgent unless your attending health care provider tells us your appeal is urgent. If we determine that your appeal is not urgent, we will treat your appeal as non-urgent. Generally, an appeal is urgent only if using the procedure for non-urgent appeals (a) could seriously jeopardize your life, health, or ability to regain maximum function, or (b) would, in the opinion of a physician with knowledge of your medical condition, subject you to severe pain that cannot be adequately managed without continuing your course of covered treatment.
- We will review your appeal and notify you of our decision orally or in writing as soon as your clinical condition requires, but no later than 72 hours after we receive your appeal. If we notify you of our decision orally, we will send you a written confirmation within 3 days after that.
- If we deny your appeal, our adverse benefit determination notice will tell you why we denied your appeal and will include information about any further process, including external review that may be available to you.

**Post-Service Claims and Appeals.** Post-service claims are requests that we pay for Services you already received, including claims for non-Plan Emergency Services. If you have any general questions about post-service claims or appeals, please call Claims Customer Service at (404) 261-2825.

Here are the procedures for filing a post-service claim and a post-service appeal:

#### **Post-service claim**

Provide us with the following: (1) the date you received the Services, (2) where you received them, (3) who provided them, and (4) why you think we should pay for the Services. You must include a copy of the bill and any supporting documents. Your letter and the related documents constitute your claim. You must either mail your claim to:

**Kaiser Permanente  
Claims Administration  
P.O. Box 190849  
Atlanta, Georgia 31119-0849**

Or, you can fax your claim to (404) 261-2825.

- We will not accept or pay for claims received from you after 12 months from the date of Services.

## Termination or Rescission of Membership

### Termination Generally

**Subject to our right to terminate coverage for the reasons described below under the sections entitled "Termination Due to Loss of Eligibility", and "Termination of Group Agreement", we may terminate the membership of the Subscriber and all enrolled Dependents if:**

- Your Group fails to pay us the appropriate Premium due; or
- You perform an act, practice, or omission that constitutes fraud, or make a misrepresentation of material fact in procuring coverage, such as knowingly (1) misrepresenting membership status, (2) presenting an invalid prescription or physician order, (3) misusing or letting someone else misuse a member ID card, or (4) failing to notify us of family status or Medicare coverage changes that may affect eligibility for membership.

**Note:** We may report any Member fraud to the authorities for prosecution and pursue appropriate civil remedies.

- The Group's membership with a bona fide association is terminated; or
- Termination for any of these reasons is effective 30 days after written notice. All rights to benefits cease as of the date of termination.

To the extent required by law, termination shall not prejudice an existing claim initially incurred while your membership was in full force and in effect.

## **Rescission of Membership**

**We may rescind the membership of the Subscriber and any enrolled dependents after it becomes effective (completely cancel your membership so that no coverage ever existed) if you or your enrolled dependents did any of the following:**

- In the first two years of becoming a Member, we determine you made a misrepresentation of material fact in connection with your application for membership.
- After two years, membership will be rescinded only in the event of a misrepresentation of material fact in your written application. Fraud means the willful misrepresentation of a material fact. A copy of the application will be given to you.

## **Termination Due to Loss of Eligibility**

If you meet the eligibility requirements described under “Who Is Eligible” in the “Premium, Eligibility, Enrollment and Effective Date” section on the first day of a month, but later in that month you no longer meet those eligibility requirements, your membership terminates on the last day of that month unless your Group has an agreement with us to terminate at a time other than on the last day of the month. Please check with your Group’s benefits administrator to confirm your termination date.

## **Termination of Group Agreement**

If the Group or Health Plan terminates the Group Agreement, your coverage through the Group will end on the date the Group Agreement terminates subject to continuation of certain benefits for totally disabled Members. See “Continued Benefits For Certain Disabled Members” below.

## **Termination for Cancellation or Non-renewal of a Policy Form**

If we terminate, cancel or non-renew all coverage under this EOC, we will provide written notice to you and the Group at least 90 days before the date coverage will terminate. We will offer you all other small group employer policies currently being offered or renewed by us for which you are otherwise eligible without regard to any health status related factor. We will act uniformly without regard to the claims experience or any health-status related factor of you or your enrolled Dependents.

## **Termination of a Product or all Products**

We may terminate a particular product or all products offered in the group market as permitted or required by law. If we discontinue offering a particular product in the group market, we will terminate just the particular product by sending you written notice at least 90 days before the product terminates. If we discontinue offering all products the group market, we may terminate your Group’s Agreement by sending you written notice at least 180 days before the Agreement terminates for you or your enrolled Dependents.

## **Continuation of Coverage**

Upon loss of eligibility under “Who is Eligible” in the “Premium, Eligibility, Enrollment, and Effective Date” section, you may continue uninterrupted coverage hereunder upon arrangement with Group in compliance with the “Consolidated Omnibus Budget Reconciliation Act of 1985, amendments thereto, and related statutes (collectively “COBRA”)” section below or in compliance with the related “Georgia statutes for Continuation of Coverage” section below.

### **Uniformed Services Employment and Reemployment Rights Acts (USERRA)**

If you are called to active duty in the uniformed services, you may be able to continue your coverage under this EOC for a limited time after you would otherwise lose eligibility, if required by the federal USERRA law. You must submit a USERRA election form to your Group within 60 days after your call to active duty. Please contact your Group if you want to know how to elect USERRA coverage or how much you will have to pay your Group for it.

### **Federal Law**

You may be able to continue your coverage under this EOC for a limited time after you would otherwise lose eligibility, if required by the federal Consolidated Omnibus Budget Reconciliation Act “COBRA” law. Please contact your Group if you want to know how to elect COBRA coverage or how much you will have to pay your Group for it.

### **Georgia Statutes for Continuation of Coverage**

- A. A Group Member may continue uninterrupted coverage upon payment of applicable Premium to Group if the Member is a Subscriber, or the Member’s coverage is through a Subscriber whose coverage has been effec-

tive under this EOC (or under any group policy providing similar benefits which replaces this EOC) for six (6) continuous months immediately prior to termination; unless:

1. The employment of the Subscriber was terminated for cause; or
2. The Group coverage was terminated and immediately replaced by similar group coverage;
3. The Group Agreement was terminated in its entirety or with respect to a class in which the Subscriber belongs; or
4. The Subscriber failed to pay any contribution required by Group.

**B. Coverage under this section continues only:**

1. Upon payment of applicable Premium not to exceed 100% of the established Premium for the Group and at the time specified by Group; and
2. Until the end of the month in which eligibility terminated and for a period of three (3) consecutive additional months. The terms and conditions of this coverage are governed by the Georgia statutes for Continuation of Coverage.
3. We may terminate any Member enrolled under "Continuation of Coverage" for whom we do not receive payment when due.

**Continued Benefits for Certain Disabled Members**

If the Group Agreement between Health Plan and Group is terminated a Member who is totally disabled on the effective date of termination shall, subject to all exclusions, limitations and reductions of this EOC, including payment of Copayments, Coinsurance, deductibles and charges in excess of the Eligible Charges, as described in the applicable EOC, be covered for the disabling condition until the earliest of the following events occurs: (1) for 12 months; or (2) until no longer totally disabled; or (3) until the benefits under this EOC expire; or (4) until Medical Group determines that treatment is no longer medically appropriate for the disabling condition. All the provisions of the Group Agreement and this EOC shall apply to such continuation coverage. For purposes of this section, a person is totally disabled if he or she has any medically determinable physical or mental impairment that renders the person unable to (1) do any of the material acts necessary to the transaction of his or her occupation as that occupation is customarily practiced, or (2) perform any of the material activities or duties of individuals of like sex and age, as determined by Medical Group.

**Medicare**

For Members entitled to Medicare, Medicare is the primary coverage except when federal law (TEFRA) requires that Group's health care plan be primary and Medicare coverage be secondary. Members eligible for Medicare as their secondary coverage are subject to the same Premium and receive the same benefits as Members who are not eligible for Medicare.

Premium is based on the assumption that we will receive Medicare payments for Medicare-covered Services provided to Members eligible for benefits under Medicare Part A or B or both. Therefore, you also must complete and submit to us any documents necessary for us to receive Medicare payments for Medicare-covered services we provided or arranged for you after the date you became eligible for Medicare as your primary coverage. Please call us if you have questions about this process. Call our Senior Advantage Member Services Department, seven days a week, from 8 a.m. to 8 p.m., at (404) 233-3700 (local) or 1-800-232-4404 (long distance) or 1-800-255-0056 (TTY).

**Miscellaneous Provisions**

**Administration of Agreement**

We may adopt reasonable policies, procedures, and interpretations to promote orderly and efficient administration of this Agreement.

**Agreement binding on Members**

By electing coverage or accepting benefits under this EOC, all Members legally capable of contracting, and the legal representatives of all Members incapable of contracting, agree to all provisions of this EOC.

### **Amendment of Agreement with Group**

Your Group's Agreement with Health Plan will change periodically. If those changes affect this EOC, your Group is required to make revised materials available to you.

No agent or other person except an officer of Health Plan has authority to do any of the following: (1) waive any condition or restriction of this Agreement; (2) extend the time for making Premium; or (3) bind Health Plan by making any promises or representations or by giving or receiving any information.

### **Applications and statements**

You must complete any applications, forms, or statements that we request in our normal course of business or as specified in this EOC.

### **Assignment**

You may not assign this EOC or any of the rights, interests, claims for money due, benefits, or obligations hereunder without our prior written consent.

### **Contracts with Providers**

Health Plan and Plan Providers are independent contractors.

Your Plan Providers are paid in a number of ways, including salary, capitation, case rates, fee for service, and incentive payments based on factors such as quality of care, Member satisfaction and other performance measures.

If you would like further information about the way Plan Providers are paid to provide or arrange medical and hospital care for Members, please call our Member Services Department, Monday through Friday from 7 a.m. to 7 p.m. at (404) 261-2590 (local) or 1-888-865-5813 (long distance).

Our contracts with Plan Providers provide that you are not liable for any amounts we owe. However, you may be liable for the cost of non-covered Services or Services you obtain from non-Plan Providers.

If our contract with any Plan Provider terminates while you are under the care of that physician or hospital, we will retain financial responsibility for covered Services you receive from that physician, in excess of any applicable Copayments or Coinsurance, until we make arrangements for the Services to be provided by another Plan Provider and so notify you.

In addition, if you currently are undergoing an active course of treatment from a Plan Provider when the contract with him or her ends (for reasons other than medical disciplinary cause or criminal activity), you may be eligible to continue receiving covered care from the terminated physician for your condition. The conditions that are subject to this continuation of care provision are:

- Chronic condition or terminal illness or if you are inpatient. The covered Services may continue for up to 60 days, from the date of the provider contract termination date if necessary for a safe transfer of care to a Plan Provider or other contracting physician as determined by us.
- Covered Services related to pregnancy. Covered Services will continue for the remainder of that pregnancy, including six weeks of postnatal care if necessary for a safe transfer of care to a Plan Provider as determined by us.

The Services must be otherwise covered under this EOC. Also, the terminated physician must agree in writing to our contractual terms and conditions and comply with them for covered Services to continue to be covered by us.

If you would like more information about this provision, or to make a request, please call our Member Services Department, Monday through Friday from 7 a.m. to 7 p.m. at (404) 261-2590 (local) or 1-888-865-5813 (long distance).

### **Governing law**

Except as preempted by federal law, this EOC will be governed in accord with Georgia law and any provision that is required to be in this EOC by state or federal law shall bind Member and Health Plan whether or not set forth in this EOC.

### **Member rights and responsibilities**

As a Member, it is important to know your rights and responsibilities. To have a detailed discussion or to obtain a detailed description of your rights and responsibilities, please call our Member Services Department, Monday through Friday from 7 a.m. to 7 p.m. at (404) 261-2590 (local) or 1-888-865-5813 (long distance).

You should inform your family and your doctor of your wishes, and give them any documents that describe your wishes concerning future care.

**... receive the medical information and education you need to participate in your health care to ensure a safe course of treatment.** This information includes the diagnosis of a health complaint, the recommended treatment, alternative treatments, and the risk and benefits of the recommended treatment. We will try to make this information as understandable as possible. You also have the right to review and receive copies of your medical records within the established time frame and with associated reproduction costs, unless the law restricts our ability to make them available. You have the right to the consideration of ethical issues that may arise in connection with your health care.

**... know and use customer satisfaction resources.** You have the right to know about resources, such as Member Services and complaint and appeals processes to help answer your questions and solve problems. You have the right to make complaints without concerns that your care will be affected. Your EOC describes procedures to make complaints and appeals.

**... a right to make recommendations regarding the organization's members' rights and responsibilities policies.** We welcome your suggestions and questions about Kaiser Permanente, its services, the health professionals providing care and member's rights and responsibilities.

**... seek financial assistance.** You have the right to speak to a representative in our Patient Business Office if you have extenuating circumstances and are unable to pay the out-of-pocket costs of essential care and Services

prescribed by a Southeast Permanente Medical Group provider. The Patient Business Office can provide information on our charity care program and its eligibility requirements.

... **safe environment. Disruptive Behavior.** If you are disruptive, unruly, or abusive to the extent that the behavior threatens the safety of others, our property, or our ability to provide Services to you or to other Members, or you fail to establish and maintain a satisfactory provider-patient relationship, after the Plan Provider has made reasonable efforts to promote such a relationship, we may take such actions as:

- Select another Plan Provider and/or medical office from which you will receive care;

#### **Claims review authority**

We are responsible for determining whether you are entitled to benefits under this EOC and we have the discretionary authority to review and evaluate claims that arise under this EOC. We conduct this evaluation independently by interpreting the provisions of this EOC. If coverage under this EOC is subject to the Employee Retirement Income Security Act (ERISA) claims procedure regulation (29 CFR 2560.503-1), then we are a "named claims fiduciary" with respect to review of claims under this EOC.

#### **No waiver**

Our failure to enforce any provision of this EOC will not constitute a waiver of that or any other provision, or impair our right thereafter to require your strict performance of any provision.

#### **Nondiscrimination**

We do not discriminate in our employment or enrollment practices or in the delivery of health care Services on the basis of age, race, color, national origin, religion, gender, sexual orientation, or physical or mental disability.

#### **Notices**

Our notices to you will be sent to the most recent address we have for you. You are responsible for notifying us of any change in address. ## Benefits

### Introduction

Please refer to the "Schedule of Benefits" section for the Cost Sharing amounts, if any, you must pay for covered Services described in this section.

The Services described in this "Benefits" section are covered only if **ALL** the following conditions are satisfied:

1. You are a Member on the date the covered Service is rendered;
2. You have not met the maximum benefit amount (a maximum benefit usually applies per Member per Year) for the Service, if any.
3. The Services are provided by a Plan Provider (unless they are qualified Emergency Service or are to be provided by a non-Plan Provider subject to an approved referral as described in the Referral section, above) in accordance with the terms and conditions of this EOC including but not limited to the requirements, if any for Prior Authorization:
4. The Services are Medically Necessary; and,

If you receive Services and we determined the Services are not covered Services, then Health Plan will not pay for such Services. In order to be covered Services, your care must be both (1) a benefit as described in this Section, and (2) Medically Necessary. You will be responsible for all charges for the Services if we decided not to cover the Services subject to your right to appeal our adverse benefit determination. Charges you pay for non-covered Services will not count toward the satisfaction of the Annual Deductible, if any, or the Out-of-Pocket Maximums.

### What You Pay

When you access covered Services, you will be required to pay applicable Cost Sharing amounts, such as Copayments, Coinsurance, and Annual Deductibles and/or other deductibles, as described in this EOC, and as shown in the “Schedule of Benefits” section. You will also be required to pay any amount in excess of Eligible Charges.

These terms are described in the “Definitions” section and applicable amounts are shown in the “Schedule of Benefits” section.

### What We Pay

After you pay the Annual Deductible, Coinsurance or Copayments, we will provide or pay up to the Eligible Charge for covered Services provided:

- The expense is for a covered Service that is Medically Necessary; and
- The expense is incurred while you are an enrolled Member. To the extent required by law, subsequent membership termination shall not prejudice payment of claims for a covered Service incurred by you while your membership remains in full force and effect.

Our payment:

- Will not exceed any applicable maximum shown in the Schedule of Benefits;
- Will be subject to the limitations shown in the Schedule of Benefits and in this EOC;
- Will be subject to the General Limitations and Exclusions;
- Will be subject to authorization. See “Authorization for Services” shown in this section; and
- Will not exceed Eligible Charges.

You will be responsible for paying any amounts in excess of Eligible Charges to non-Plan Providers for Services that are not for treatment of an Emergency Medical Condition.

## Maximum Benefit While Covered

We will not pay more than the amount of the Maximum Benefit While Covered shown in the “Schedule of Benefits” section for all covered non-Emergency Services you receive from Plan Providers.

## Prior Authorization for Services

**Certain covered Services require Prior Authorization in advance of your appointment or admission in order to be covered. Please call our Member Services Department, Monday through Friday from 7 a.m. to 7 p.m. at (404) 261-2590 (local) or 1-888-865-5813 (long distance) to find out the Services that require Prior Authorization.**

If you received Services and Prior Authorization was required but not obtained or such Services we are later determined not to be Medically Necessary, Health Plan will not cover the Services. You will be responsible for all charges for the Services.

Before giving approval to a request for Prior Authorization, we consider if the Service is a covered benefit under your plan, and Medical Necessary.

Except as prohibited by law, Prior Authorization is not a guarantee of payment and will not result in payment for Services that are not covered benefits and Medically Necessary.

## Office Services

We cover the following office Services for diagnosis, treatment and preventive care:

- Primary care visits – Services from internal medicine, family practice, pediatrics; and
- Specialty care visits, including consultation and second opinions with Plan Provider in departments other than those listed under “Primary care visits” above.

## Preventive Visits and Services

We cover a variety of preventive care Services, which are Services that do one or more of the following:

- Protect against disease, such as in the use of immunizations
- Promote health, such as counseling on tobacco use
- Detect disease in its earliest stages before noticeable symptoms develop, such as screening for breast cancer

We cover one breast pump per birth and the coverage is subject to all coverage requirements described in other parts of this “Benefits” section and all provisions in the “General Exclusions, Limitations, Reimbursement of Health Plan, and Coordination of Benefits (COB)” section. Coverage is limited to the standard item of equipment that adequately meets your needs.

The “Schedule of Benefits” section explains Copayments, Coinsurance and deductible requirement for some preventive care Services, but it does not otherwise explain coverage. These preventive care Services are subject to all coverage requirements described in other parts of this “Benefits” section and all provisions in the “General Exclusions, Limitations, and Reimbursement of Health Plan” section. For example, we cover a preventive care Service that is an outpatient laboratory Service only if it is covered under the “Office Services” section, subject to the “General Exclusions, Limitations, Reimbursement of Health Plan and Coordination of Benefits” section.

We cover at no charge (not subject to the Annual Deductible) the preventive care Services listed on our “Preventive Care Services Covered with No Copayments, Coinsurance, or Annual Deductible requirements” list. This list is subject to change at any time and is available from our Members Services Department or on our website at [www.kp.org](http://www.kp.org).

## Maternity Care

We cover all obstetrical care, prenatal visits following the confirmation of pregnancy, intrapartum care (childbirth and delivery including cesarean section), and postnatal visits. Covered Services include care for uncomplicated pregnancy and labor and delivery; spontaneous vaginal delivery; and complications of pregnancy. Complication of pregnancy means conditions requiring hospital confinement when the pregnancy is not terminated and the diagnoses of conditions which are distinct from pregnancy but are adversely affected by pregnancy or are caused by pregnancy. Examples include but are not limited to acute nephritis, cardiac decompensation, missed abortion,

pre-eclampsia, similar medical and surgical conditions of comparable severity and ectopic pregnancy which is terminated.

**Notes:**

- If your attending Plan Physician determines, after conferring with you, that you will be discharged less than 48 hours after delivery (or 96 hours if delivery is by cesarean section), your physician will order a follow-up visit for you and your newborn to take place within 48 hours after discharge and may order a second visit if appropriate. - War
- Riot
- Civil insurrection

Financial responsibility for Services which involve another party liability;

Refer to Injuries and Illnesses caused or alleged to be caused by Other Parties.

### Excess Coverage Provision

This coverage pays for Eligible Charges after any group health plan which is primary has paid. In no case shall the total payment under this EOC and other coverage exceed 100% of the Eligible Charges. Eligible Charges which are reimbursed by any group health plan are not covered by this EOC.

### Reimbursement Owed to Health Plan

Injuries or illnesses caused or alleged to be caused by other parties

Services rendered at facilities contracting with Health Plan

If an injury or illness is caused or alleged to be caused by any act or omission of another party, Services and other benefits that are furnished or arranged by Plan Providers for such injury or illness are payable as Eligible Charges (as defined in the "Definitions" section). Payment of these charges is subject to the provisions of sections "Health Plan's Right of Reimbursement" and "Member's Cooperation Required" shown below.

#### Services rendered at facilities not contracting with Health Plan

If an injury or illness is caused or alleged to be caused by any act or omission of another party, payments to non-Plan Providers, hospitals, and other Non-Plan Providers not contracting with Health Plan are made as described under Emergency Services in the "Schedule of Benefits" section. Reimbursement of these payments is subject to the provisions of sections "Health Plan's Right of Reimbursement" and "Member's Cooperation Required" shown below.

#### Health Plan's right of reimbursement

Subject to the limitations imposed under applicable state or federal law, Health Plan must be paid or reimbursed by you, your estate or legal representative from the proceeds of any settlement, judgment or other amount ("Recovery") you receive whether by compromise or otherwise, from or on behalf of any other party for the value of Services provided and expenses covered by both Health Plan and other party recovery. You must hold in trust for us the proceeds of any Recovery you receive from or on behalf of the other party pending resolution of Health Plan's interest. Health Plan's right of recovery shall not include any amount paid for Copayments, Coinsurance, non-medical items or expenses for future medical care. Health Plan's right of Recovery also extends, but is not limited to any amounts you receive from any insurance policy providing the following coverage: a) liability; b) no fault/med-pay; c) uninsured motorist; or d) underinsured motorist.

### **Member's cooperation required**

You must notify us of any actual or potential claim or legal action that you anticipate bringing or have brought against another party arising from the alleged acts or omissions no later than 30 days after submitting or filing such claim or legal action. You must complete and submit to us (or our designee), at the address shown below, all consents, releases, authorizations, reimbursement agreements or other documents necessary for Health Plan to determine the existence of any rights it might have under this section, including but not limited to its right of payment or reimbursement and to exercise those rights.

Our address:

**Kaiser Foundation Health Plan of Georgia, Inc.**  
**Nine Piedmont Center**  
**3495 Piedmont Road, NE**  
**Atlanta, Georgia 30305-1736**

### **Cancellation of Charges**

If you make reasonable efforts to obtain a Recovery because of the injury or illness, and remit any Recovery in its entirety to us (or our designee), up to the amount of the payment or reimbursement due us in accordance with applicable State and federal law any amount owed to us that exceeds the Recovery shall be canceled. If there is no Recovery (other than due to your failure to pursue Recovery), all payment and reimbursement responsibility of you under this section shall be canceled.

### **Eligible Charges**

The provisions of this section do not affect your obligations to pay any Eligible Charges due under this EOC.

### **Medicare**

Benefits under your group Plan may overlap with the benefits covered by Medicare. We do not duplicate benefits you are entitled to receive under Medicare. Special Medicare rules apply to most employees and their dependents entitled to Medicare.

Medicare law may apply with respect to services covered by Medicare.

### **Coordination of Benefits (COB)**

**This EOC is subject to coordination of benefits rules.** These rules apply when you have health benefits coverage through more than one health care coverage. Frequently, persons who have a Spouse will have more than one coverage when both work and their employers offer health benefits. There may also be other instances of coverage through more than one plan, such as when you or your Spouse work for more than one employer. This is also known as dual coverage. In cases of dual coverage, special rules apply to the way in which your health benefits will be provided or paid.

The purpose of these rules is to identify a primary plan that will be responsible for paying for your care and a secondary plan, which may pay any amount not paid by the primary plan. When you belong to a health maintenance organization or another type of organization that provides the care directly to you and the plan is secondary, that plan may bill the primary plan for the Services it provides to you. This has no impact upon your right to receive Services from the secondary plan.

**Role of the primary plan.** The primary plan will pay your covered health care expenses, or will provide the Services without seeking payment from any other plan. For example, if we are primary, and you receive Services from us, we will be responsible for the cost of the Services provided to you. If you receive Services covered by us from a non-Plan Provider, as described under the "Emergency Services" section or authorized referrals, we will pay for those Services subject to the terms and conditions of this EOC. In either case, you will be responsible for any Copayment or Coinsurance required under this EOC. However, your secondary plan may reimburse you for the Copayments or Coinsurance that you pay us.

**Role of the secondary plan.** If we are the secondary plan, we may bill your other plan for any Services we provide you. The other plan will pay any amounts it would be obligated to pay for Services rendered to you. In the case of a covered emergency or authorized referral, the other plan would pay the providers of services, and we would pay any amounts that were not paid by your primary plan, up to the amount we would have paid, if we had been the primary plan. In this way, you may receive 100 percent coverage of your health care expenses.

**Determining the primary plan.** A plan is primary when it:

- Does not have a coordination of benefits provision in its contract. It will be primary even if it expressly states that it is secondary to other health benefits coverage.
- Covers you as the Subscriber (it will be the secondary plan for your Spouse).
- Covers your Spouse as the Subscriber (it will be the secondary plan for you).

If you are the Subscriber under more than one plan, the plan that covers you as an active employee is primary.

For your Dependent children, the plan of the parent whose birth month and day occurs the earliest in the calendar year will be primary. For example, if the father's birthday is April 17 and the mother's birthday is April 18, the father's plan is primary and the mother's plan is secondary. For dependent children of divorced parents, the rules vary; we can provide you with those rules by calling our Member Services Department Monday through Friday from 7 a.m. to 7 p.m. at (404) 261-2590 (local) or 1-888-865-5813 (long distance).

**Benefit Reserve** When we are secondary and we receive payment from your primary plan under a coordination of benefits situation, or if the other plan pays for Services that we would have paid if we had been primary, a special reserve is established in the name of the person who received the Services. This reserve can be used to pay for any Services provided to that person in the same Year, which are covered by one of the plans, and which are not paid in full (that is, less than 100 percent of the expenses have been paid) by either or both of the plans.

For example, if under our plan, you have to pay a Copayment for an office visit at one of our facilities, then your other plan will not reimburse you for this Copayment because you did not use their plan's providers. In this case you can use your benefit reserve to pay the Copayment. Within the same Year, the date you received the Services and the date that the benefit reserve is created is not important. You may use the reserve to pay Copayments or Coinsurance or to get reimbursed for Copayments or Coinsurance you paid before the reserve was established within the same Year.

The reserve is created only when we are secondary. No reserve is created when we are primary. However, your other coverage should establish a benefit reserve for you when it is secondary.

## Definitions

Except as otherwise noted, the following terms, when capitalized and used in any part of this EOC, mean:

**Affiliated Community Physician:** A primary care or specialist physician that contracts with Medical Group to provide covered Services to Members under this EOC.

**Annual Deductible:** The amount of Eligible Charges you must pay for certain covered Services each Year before we pay any amount for those Services, other than Emergency Services and well-child care visits as described in this EOC. The Annual Deductible is shown in the "Schedule of Benefits" section. The Annual Deductible applies separately to each Member during each Year. If the Family Deductible shown in the Schedule of Benefits is satisfied in any one Year by covered Family Members, then the individual Single Deductible will not be owed for any other Eligible Charges incurred during the remainder of the Year by any Member in your Family. For Services subject to a deductible, you must pay Eligible Charges for the Services when you receive them, until you meet your deductible. After you meet the deductible, you are still obligated to pay the applicable Copayment or Coinsurance for the Services.

**Annual Deductible Carryover:** If you incur Eligible Charges during the last three months of the Year that are applied toward satisfaction of the Annual Deductible for that Year, those charges will also be applied toward your Annual Deductible for the next Year.

**Deductible Credit on Takeover:** This provision applies if this group coverage replaces your prior group coverage, and your prior group coverage: a) provided similar benefits; and b) was in force within the 90 days immediately preceding the effective date of this group coverage.

Under this provision, covered expenses that were applied to your Annual Deductible and Out of Pocket Maximum under the prior group coverage will be credited toward satisfaction of the Annual Deductible, as applicable under this group coverage, if:

- You were covered under your prior group coverage on the day before the effective date of this group coverage;

- Those expenses are recognized as covered under this EOC and subject to a similar deductible provision under this EOC.

**Benefit Maximum:** The total amount of benefits that will be paid by Health Plan for a specified covered Service. Benefit Maximums are shown in the Schedule of Benefits. When a Benefit Maximum is reached, additional expenses you incur for the specific benefit or Services are not covered.

You are responsible for the payment of any amount in excess of the Benefit Maximum.

**Coinsurance:** The percentage of Eligible Charges that you must pay for certain covered Services as described in the "Schedule of Benefits" section.

**Copayment:** The pre-determined dollar amount that you, or a Dependent, must pay at the time certain covered Services are received from Plan Providers or Plan Physicians. Once the Cost Sharing Out-of-Pocket is reached, we will pay 100% of further Eligible Charges incurred by your and/or your Family for covered Services during the remainder of the Year. Keep your receipts to verify the Cost sharing you and/or your Family have paid. The Cost Sharing for the services listed below do not count toward the Cost sharing Out-of-Pocket Maximum. - For items covered under "Pharmacy Services" and obtained at a pharmacy owned and operated by Health Plan, Eligible Charges means the amount the pharmacy would charge a Member for the item if a Member's benefit plan did not cover the item. This amount is an estimate of: the cost of acquiring, storing and dispensing drugs, the direct and indirect costs of providing Kaiser Permanente pharmacy Services to Members, and the pharmacy program's contribution to the net revenue requirements of Health Plan.

Unless otherwise required by law, we decide if a covered Service is Medically Necessary. You may appeal our decision as set forth in the "Getting Assistance, Filing Claims, and Dispute Resolution" Section. The fact that a Plan Provider has prescribed, recommended, or approved an item or service does not, in itself, make such item or service Medically Necessary and, therefore, a covered Service.

### Outpatient Prescription Drugs Rider

The following terms, when capitalized and used in this rider or in the "Schedule of Benefits" section, mean:

**Generic Drug** is a prescription drug that does not bear the trademark of a specific manufacturer. It is chemically the same as and generally costs less than a Brand Name Drug. It is a drug which is designated as a Generic Drug by us.

**Brand Name Drug** is a prescription drug that is manufactured and sold under a name or trademark by a specific drug manufacturer. It is a drug which is designated as a Brand Name Drug by us.

We cover the drugs and supplies described below when prescribed by a Plan Physician or dentist as described in this rider unless an exclusion or limitation applies.

You must obtain these drugs from a Kaiser Permanente Medical Center Pharmacy or at a community pharmacy designated by Health Plan.

We cover drugs and supplies for which a prescription is required by law and which are listed in the Kaiser Permanente drug formulary. Certain diabetic supplies do not require a prescription, but must still be listed in our drug formulary in order to be covered under this rider. While you may obtain a first fill of your prescription at either a Kaiser Permanente Medical Center Pharmacy or at a Health Plan designated community pharmacy, all refills of your prescription must be obtained at a Kaiser Permanente Medical Center Pharmacy or through our Automated Refill Center. To locate a Kaiser Permanente Medical Center Pharmacy, you should refer to your Physician Directory or call our Member Services Department Monday through Friday from 7 a.m. to 7 p.m. at (404) 261-2590 (local) or 1-888-865-5813 (long distance). You may also visit us online at [www.kp.org](http://www.kp.org).

Each prescription refill is provided on the same basis as the original prescription. Copayments are applied up to the lesser of (a) the days supply per prescription as listed in the "Schedule of Benefits" section or (b) the standard dispensing amount as determined by Health Plan, based on the recommendation of our Pharmacy and Therapeutics Committee. The standard dispensing amount for migraine medications, ophthalmic, otic and topical

medications, and oral and nasal inhalers is the smallest standard package unit available. The standard dispensing amount for other drugs may have quantity limits established by our Pharmacy and Therapeutics Committee

Unless otherwise specified by your Plan Physician or dentist, Generic Drugs may be used to fill a prescription. If you request a Brand Name drug at a Kaiser Permanente Medical Center pharmacy or at a community pharmacy designed by Health Plan, you pay the cost difference between the Generic Drug and the Brand Name Drug, in addition to the applicable Copayment, Coinsurance and deductible shown in the "Schedule of Benefits" section at the end of this EOC.

Unless otherwise specified by your Plan Physician or dentist, Generic Drugs may be used to fill a prescription. If Brand Name Drugs are used to fill a prescription and a Generic Drug equivalent at a KAISER Permanente Medical Center pharmacy or at a community pharmacy designated by Health Plan, you will pay the cost difference between the Generic Drug and the Brand Name Drug, in addition to the applicable Copayment, Coinsurance and deductible shown in the "Schedule of Benefits" section at the end of this EOC.

### **Outpatient Prescription Drug Coverage**

Drugs and supplies covered under this rider include the following:

- Drugs approved by the Food and Drug Administration (FDA)
- Drugs for which a prescription is required by law.
- Prescription drugs on the Kaiser Permanente drug formulary
- Oral medications for the treatment of diabetes
- Insulin
- Disposable needles and syringes for injecting prescribed insulin
- Glucose ketone and acetone test strips or tablets
- Oral and nasal inhalers
- Compounded preparations which must be prepared by a pharmacist
- Amino acid-modified products used to treat congenital errors of amino acid metabolism
- Postsurgical immunosuppressant outpatient drugs required as a result of a covered transplant

### **Special note about our drug formulary**

The Kaiser Permanente drug formulary is a list of prescription drugs that have been approved by our Pharmacy and Therapeutics Committee for our Members. Our Pharmacy and Therapeutics Committee, which is comprised of Plan Physicians and other Plan Providers, selects prescription drugs for the drug formulary based on a number of factors, including but not limited to safety and effectiveness as determined from a review of medical literature and research. The Pharmacy and Therapeutics Committee meets several times each year to consider adding and removing prescription drugs on the drug formulary. Changes can occur to the drug formulary list due at any time to:

- New clinical studies indicating additional or new evidence that can either benefit the Member's outcome or that identified potential harm to the Member.
- A brand name drug loses its patent and generic drugs equivalent becomes available; or
- A brand name drug becomes available over the counter in which case the drug will not be covered under this rider even if it was covered previously.
- Multiple Similar Drugs become available such as other drugs within a specific drug class (for example anti-inflammatory drugs, anti-depressants or corticosteroid asthma inhalers).
- Multiple Similar Drugs become available over the counter within a specific drug class (for example non sedating antihistamines).

Similar Drugs mean drugs within the same drug class or type that are therapeutic/clinically equivalent drugs and can be expected to produce similar therapeutic outcomes for a disease or condition.

If you request a non-formulary drug – when your Plan Physician does not indicate that the non-formulary drug is Medically Necessary you will be responsible for the full cost of that drug.

However, if your Plan Physician documents that:

- A non-formulary drug best treats your medical condition;
- A formulary drug has been ineffective in the treatment of your medical condition; or
- A formulary drug causes or is reasonably expected to cause a harmful reaction, then

an exception process is available to your Plan Physician to seek permission to prescribe a Medically Necessary non-formulary drug for you. In that case, if the exception is approved, your Plan Physician's request is approved, your standard prescription drug Copayment, Coinsurance and deductibles would apply. This formulary exception process does not apply to your dentist. In order to be covered at your prescription drug Copayment, Coinsurance and deductible all prescriptions written by your dentist must be included on the Kaiser Permanente drug formulary.

### **Review and Authorization**

Certain prescription drugs require review and authorization prior to dispensing. Your Plan Physician must obtain this review and authorization. Failure to obtain this review and authorization will result in the drug not being covered. The list of prescription drugs requiring review and authorization is subject to periodic review and modification by our Pharmacy and Therapeutics Committee.

If you would like information about:

- whether a particular drug is included in our drug formulary
- obtaining a formulary brochure that lists the formulary drugs and provides more information about our drug formulary, or
- whether a drug requires authorization,

please call our Member Service Department, Monday through Friday from 7 a.m. to 7 p.m. at (404) 261-2590 (local) or 1-888-865-5813 (long distance). You may also visit us online at [www.kp.org](http://www.kp.org).

#### **The following Services are provided to Members 19 and older:**

This optical plan can be used when you purchase prescription eyeglasses and contact lenses from sources designated by Health Plan. Please refer to your Physician Directory or contact the Member Services Department for a listing of participating locations.

For most plans, we provide an allowance toward the price of eyeglass lenses, frames, and cosmetic contact lenses when prescribed by a Plan Physician or Plan optometrist, but only if we have not covered (under this or any other EOC) eyeglass lenses, frames, or contact lenses for either eye within the previous 24 months.

An allowance is applied toward the total expenses of an item that is covered. You may only use your allowance one time, which is at the time you order your initial eyeglass lenses, frames, or contact lenses.

If the cost of the item you select exceeds the allowance, you will pay the difference. Be prepared to pay a deposit toward the balance due when you place your order, if the price exceeds your allowance.

If you use your allowance to purchase frames, we also cover mounting of eyeglass lenses in the frame, original fitting of the frames, and subsequent adjustment of the frame.

We cover medically necessary contact lenses. Medically necessary means one or more of the following conditions are met:

- Refractive error of 12 diopters or greater in any meridian
- Keratoconus which corrects to 20/30 or worse with best glasses

- Anisometropia where the difference of power between the two eyes is greater than 5 diopters
- After cataract surgery
- When vision with contact lens and compared with best glasses is improved by greater than two lines; i.e. 20/70 to 20/40
- When corneal problems require bandage soft contact lenses.

If you must wear regular glasses and contact lens(es) at the same time to provide a significant improvement in visual acuity or binocular vision not obtainable with regular lenses or contact lenses alone, then both are covered. Covered Services include the fitting of the contact lenses.

If you have a change in prescription of at least .50 diopter within 12 months of your initial exam, we will provide an additional allowance toward the price of a new eyeglass lens or cosmetic contact lens for the affected eye(s) without requiring you to wait 24 months. The replacement lens must be for the same product type as your original order.
