**LOS ANGELES COUNTY EMPLOYEES RETIREMENT ASSOCIATION
REQUEST FOR PROPOSAL (RFP)
INVESTMENTS OPERATIONAL DUE DILIGENCE REVIEW
ISSUED: MAY 2022**

1. INTRODUCTION

1.1. Purpose of Request

The Los Angeles County Employees Retirement Association (LACERA), a \$75 Billion public pension fund, is seeking proposals from qualified external consulting investment firms to evaluate LACERA's Investment Office's Operational Due Diligence (ODD) process (as defined in Section 1.2 below). We are seeking firms with extensive experience performing, advising, or evaluating ODD on behalf of institutional clients. The intent of this consulting engagement is to obtain an assessment and evaluation of LACERA's ODD processes, both pre-investment and post-investment (ongoing). LACERA invites qualified firms to respond to this RFP (Respondent).

1.2. Background Information

LACERA is a public pension fund established pursuant to the County Employees Retirement Law of 1937. LACERA operates as an independent governmental entity separate and distinct from Los Angeles County and the other participating agencies. LACERA has approximately 186,300 members, including 100,000 active members, 16,600 deferred and inactive members that are eligible for future retirement benefits, 60,200 retired members, and 9,500 survivors. Along with administering a \$75 Billion Pension Plan, LACERA's Investment Office manages a \$2.6 Billion Other Post-Employment Benefits (OPEB) Trust (assets valued as of December 31, 2021).

LACERA is governed by the Board of Retirement ("BOR") which is composed of nine Trustees and two alternates, and the Board of Investments ("BOI") which is composed of nine Trustees. The BOR is responsible for the administration of the retirement system. The BOI is responsible for establishing LACERA's investment policy and objectives, as well as exercising authority and control over the investment management of the fund. The day-to-day management of LACERA is delegated to a Chief Executive Officer appointed by both Boards. The day-to-day management of LACERA's investment portfolio is delegated to a Chief Investment Officer appointed by the BOI.

The mission of Internal Audit is to provide independent, objective assurance and consulting services designed to add value and improve the organization's operations. Internal Audit helps LACERA accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control, and governance processes. The Chief Audit Executive (CAE) reports directly to LACERA's Board of Retirement and Board of Investments through the Audit Committee for functional purposes and administratively to LACERA's Chief Executive Officer (CEO). Internal Audit consists of ten staff members.

LACERA's Investment Office is responsible for all aspects of the pension fund and OPEB Trust including asset allocation, liability analysis, investment program structure, and implementation and monitoring of the fund. Internal Audit is looking to hire a firm to assess LACERA's internal ODD procedures over a broad range of functional categories including growth, credit-oriented fixed income, real assets and inflation hedges, and risk reduction and mitigation. While LACERA participates in co-investment programs for certain asset classes, trading securities within LACERA's investment portfolio is 100% outsourced to external investment managers. LACERA does not have internal trading operations.

ODD is performed both pre- and post-investment. Pre-investment ODD is the process of evaluating whether the investment manager has the necessary operational capabilities, controls, and framework to execute on the investment mandate that LACERA is considering. Along with investment due diligence (IDD), ODD is an important component of the decision to invest. Post-investment ODD is the process of evaluating whether the investment manager continues to have the necessary operational capabilities, controls, and framework to execute on the investment mandate that LACERA hired the manager to perform.

In 2020, the Investment Office formed an internal ODD working group comprised of team members from all asset classes to evaluate and potentially identify enhancements to LACERA's ODD processes across the portfolio with the goal of elevating the strategic importance of ODD. In November 2020, the ODD working group presented their analysis to the Board of Investments with staff action plans of identified improvements to be implemented by the Investment Office. The ODD working group meets on a regular basis to assess the Investment Office's progress towards completing the ODD staff action plans and continues to evaluate LACERA's ODD framework.

LACERA has over 100 investment manager relationships with the majority of the total count coming from the Growth functional asset class. Within the IPS (linked below), page 16 of the IPS shows LACERA's asset allocation to various categories and the target weights.

2. **SCOPE OF SERVICES**

All services performed by the contractor shall be under the direction of, and approved by, the Chief Audit Executive or designee. The scope of work should include but is not limited to assessing the following:

Review of the effectiveness of ODD in the execution of LACERA's investment program.

- Pre-investment ODD.
- Post-investment/ongoing ODD.

Consideration in both pre-investment and post-investment ODD should be given to:

- Evaluating the effectiveness, frequency, and degree/comprehensiveness of ODD performed.
- Assessing the effectiveness of reliance by LACERA staff on investment consultants and third parties for the performance of ODD in asset classes where those resources are available.
- Completeness and comprehensiveness of ODD documentation.

- Assessing whether the ODD Program covers all appropriate risk factors. Examples may include internal controls over operational processes, investment operations, infrastructure and business continuity, compliance, risk management, disclosures, manager organization, fund terms, custody and counterparties, valuation policies, financial statements, and Form ADV's.
- Evaluation of ODD for internal investment operations.
- Communication of ODD efforts to the Board of Investments and utilization of data in managing portfolio.

Input of best practices in managing an effective ODD program.

LACERA has over 100 investment manager relationships with the majority of the total count coming from the Growth functional asset class. Within the Investment Policy Statement (IPS), page 16 of the IPS provides additional background, specifically a breakdown of LACERA's asset allocation to various categories and the target weights. Please reference LACERA's Investment Policy Statement at <https://www.lacera.com/sites/default/files/assets/documents/general/IPS-111921.pdf>.

This consulting engagement should be performed in accordance with the AICPA Standards for Consulting Services.

- C. The team leader must have at least 10+ years of experience performing ODD-related work for institutional clients and no team member should have less than five (5) years of experience working on ODD-related work for institutional clients.

LACERA reserves the right to grant exceptions to the minimum qualifications with appropriate explanation and in our sole discretion.

Each firm that intends to respond to this RFP must send the Intent to Respond, Exhibit A, via email to Kathryn Ton, by 5:00 p.m. PDT, June 15, 2022. Failure to send an Intent to Respond will disqualify your firm from submitting a response to this RFP.

5. **NOTICE TO RESPONDENTS REGARDING THE PUBLIC RECORDS ACT AND THE RALPH M. BROWN ACT**

The information submitted in response to this RFP will be subject to public disclosure pursuant to the California Public Records Act (California Government Code Section 6250, et. seq., the

“Act”). The Act provides generally that all records relating to a public agency's business are open to public inspection and copying unless specifically exempted under one of several exemptions set forth in the Act. If a respondent believes that any portion of its proposal is exempt from public disclosure or discussion under the Act, the respondent must provide a full explanation and mark such portion “TRADE SECRETS,” “CONFIDENTIAL” or “PROPRIETARY,” and make it readily separable from the balance of the response. Proposals marked “TRADE SECRETS,” “CONFIDENTIAL” or “PROPRIETARY” in their entirety will not be honored, and LACERA will not deny public disclosure of all or any portion of proposals so marked.

By submitting a proposal with material marked “TRADE SECRETS,” “CONFIDENTIAL” or “PROPRIETARY,” a respondent represents it has a good faith belief that the material is exempt from disclosure under the Act; however, such designations will not necessarily be conclusive, and a respondent may be required to justify in writing why such material should not be disclosed by LACERA under the Act. Fee and pricing proposals are not considered “TRADE SECRET,” “CONFIDENTIAL” or “PROPRIETARY”.

If LACERA receives a request pursuant to the Act for materials that a respondent has marked “TRADE SECRET,” “CONFIDENTIAL” or “PROPRIETARY,” and if LACERA agrees that the material requested is not subject to disclosure under the Act, LACERA will deny disclosure of those materials. LACERA will not be held liable, however, for inadvertent disclosure of such materials, data, and information or for disclosure of such materials if deemed appropriate in LACERA’s sole discretion. LACERA retains the right to disclose all information provided by a respondent.

The final report will be a public document and cannot be redacted or marked as confidential, except with LACERA’s advance written approval in its sole discretion.

If LACERA denies public disclosure of any materials designated as “TRADE SECRETS,” “CONFIDENTIAL” or “PROPRIETARY,” the respondent agrees to reimburse LACERA for, and to indemnify, defend and hold harmless LACERA, its Boards, officers, fiduciaries, employees, and agents from and against:

1. All claims, damages, losses, liabilities, suits, judgments, fines, penalties, costs, and expenses, including without limitation attorneys’ fees, expenses, and court costs of any nature whatsoever (collectively, Claims) arising from or relating to LACERA’s non-disclosure of any such designated portions of a proposal; and
2. All Claims arising from or relating to LACERA’s public disclosure of any such designated portions of a proposal if LACERA determines disclosure is deemed required by law, or if disclosure is ordered by a court of competent jurisdiction.

If LACERA staff recommends any respondent to the Boards for hiring, such recommendation, the reasons for the recommendation, and the relevant proposal(s) will appear on a publicly posted agenda and in supporting materials for public meetings of the Boards.

Nothing in this RFP requires LACERA to withhold any documents from production under the Act. LACERA has the authority in its sole discretion as to what is publicly released, including whether or not redactions are made.

6. NOTICE TO RESPONDENTS REGARDING LACERA DATA PROTECTION

LACERA, its consultants, vendors, and contractors have a duty to protect all LACERA data, including without limitation, information related to members and beneficiaries, finances, systems, and operations.

The finalist selected through this procurement will have access to sensitive information protected by LACERA's internal policies, State, and Federal law. In such a case, by submitting a proposal, respondent agrees to subject itself to certain contractual terms designed to protect such information, including without limitation SOC-2 reports (or, in the alternative, a Security Controls Assessment as per Exhibit G) – used when vendor might have access to or use of LACERA systems or information. Respondents shall inform LACERA in their response if they have any limitations to agreeing to such terms. Respondents that do not make reservations shall lose their right to do so at the contracting phase.

7. CONTRACT NEGOTIATIONS

Upon Audit Committee approval, staff will enter contract negotiations with the approved Respondent(s). LACERA may end negotiations, at its sole discretion, if it believes a satisfactory agreement cannot be negotiated. LACERA reserves the right to award a contract based upon proposals received; you should not rely upon the opportunity to alter your proposal (e.g., services to be provided, fees, etc.) during contract negotiations.

The final contract must allow LACERA to terminate a) for its convenience, and b) for default.

The general form of the agreement for services (contract) LACERA intends to use for this engagement is attached as **Exhibit E**. By sending a proposal without comment on the general form contract, Respondent agrees to each term in the contract, and will not seek any modifications to the contract. LACERA has the right to change or negotiate contract terms different than those in Exhibit E in our sole discretion.

Respondents are required in their response to identify and explain any exception that it desires to take to any of the terms and conditions of this RFP. In addition, a respondent will be deemed to have agreed to each clause in the contract (and not to seek inclusion of additional clauses), unless the respondent identifies an objection or inclusion, sets forth the basis for the objection or inclusion, and provides substitute language to make the clause acceptable to the respondent or to address an issue the respondent feels is not addressed by the agreement in its response to this RFP. If a satisfactory contract cannot be negotiated with one or more of the firms, LACERA may, at its sole discretion, terminate such negotiations. LACERA, may then, at its option, initiate fee negotiations with another firm, and so on. LACERA reserves the final authority in its sole discretion to accept or reject, in whole or in part, requested modifications to the template form attached as Exhibit E.

LACERA reserves the right to make changes to the contract, including the template contract attached as Exhibit E, prior to execution, including material changes.

8. **RESERVATIONS BY LACERA**

In addition to the other provisions of this RFP, LACERA reserves the right to:

- 8.1. Cancel or modify this RFP, in whole or in part, at any time.
- 8.2. Make such investigation as it deems necessary to determine the respondent's ability to furnish the required services, and the respondent agrees to furnish all such information for this purpose as LACERA may request.
- 8.3. Reject the proposal of any respondent who has failed to comply with the requirements of this RFP, or who is not currently in a position to perform the contract, or who has previously failed to perform similar contracts properly, or in a timely manner or for any other reason in LACERA's sole discretion.
- 8.4. Waive irregularities to negotiate in any manner necessary to best serve the public interest, and to make a whole award, multiple awards, a partial award, or no award.
- 8.5. Award a contract, if at all, to the firm which will provide the best match to the requirements of the RFP and the service needs of LACERA in LACERA's sole discretion, which may not be the proposal offering the lowest fees or achieving the highest score.
- 8.6. Request additional documentation or information from respondents. Requested information may vary by respondent. LACERA may ask questions of any respondent to seek clarification of a proposal or to ensure the respondent understands the scope of the work or other terms of the RFP.
- 8.7. The right to choose to not enter into an agreement with any of the respondents to this RFP or negotiate for the services described in this RFP with a party that did not submit a proposal.
- 8.8. Determine the extent, without limitation, to which the services of a successful respondent are or are not actually utilized.
- 8.9. Defer selection of a winning bidder to a time of LACERA's choosing.
- 8.10. Consider information about a respondent in addition to the information submitted in the response or interview.
- 8.11. Add terms and conditions during contract negotiations.
- 8.12. The information that a respondent submits in response to this RFP becomes the exclusive property of LACERA. LACERA will not return any proposal or reimburse proposal preparation expenses.

STATEMENT OF WORK

All services performed by the contractor shall be under the direction of, and approved by, the Chief Audit Executive or designee.

ODD is performed both pre- and post-investment. Pre-investment ODD is the process of evaluating whether the investment manager has the necessary operational capabilities, controls, and framework to execute on the investment mandate that LACERA is considering. Along with investment due diligence (IDD), ODD is an important component of the decision to invest. Post-investment ODD is the process of evaluating whether the investment manager continues to have the necessary operational capabilities, controls, and framework to execute on the investment mandate that LACERA hired the manager to perform.

The scope of work should include but is not limited to assessing the following:

Review of the effectiveness of ODD in the execution of LACERA's investment program.

- Pre-investment ODD.
- Post-investment/ongoing ODD.

Consideration in both pre-investment and post-investment ODD should be given to:

- Evaluating the effectiveness, frequency, and degree/comprehensiveness of ODD performed.
- Assessing the effectiveness of reliance by LACERA staff on investment consultants and third parties for the performance of ODD in asset classes where those resources are available.
- Completeness and comprehensiveness of ODD documentation.
- Assessing whether the ODD Program covers all appropriate risk factors. Examples may include internal controls over operational processes, investment operations, infrastructure and business continuity, compliance, risk management, disclosures, manager organization, fund terms, custody and counterparties, valuation policies, financial statements, and Form ADVs.
- Evaluation of ODD for internal investment operations.
- Communication of ODD efforts to the Board of Investments and utilization of data in managing portfolio.

Input of best practices in managing an effective ODD program.

LACERA has over 100 investment manager relationships with the majority of the total count coming from the Growth functional asset class. Within the Investment Policy Statement (IPS), page 16 of the IPS provides additional background, specifically a breakdown of LACERA's asset allocation to various categories and the target weights. During the evaluation process, any one or more of the Proposers may be requested to make a formal presentation to the Board of Retirement, Board of Investments, or a Committee of the Board such as the Audit Committee. Such presentation will provide the Proposer with an opportunity to answer any questions LACERA may have regarding the Proposer's proposal. Expenses incurred by the Proposer for such presentation will not be reimbursed. Once hired, the selected firm is required to present the results of their findings at a future Audit Committee meeting.

G. Agreement Negotiations

Contract negotiations will be initiated upon CAE approval, LACERA expects contract negotiations to be brief. If the contract cannot be negotiated quickly with the selected Proposer, LACERA may, in its sole discretion, terminate negotiations with the selected Proposer and commence contract negotiations with another party, whether or not that party submitted a proposal to this RFP.

H. Agreement Approval and Award

LACERA reserves the right to submit the final Audit Services Agreement (contract) to the Boards or Committee for approval. After approval and agreement award by LACERA, all Proposers will be notified of the outcome.
