I understand that any dispute between myself, my heirs, relatives, or other associated parties on the one hand and the health plan, any contracted health care benefit providers, administrators, or other associated parties on the other hand for alleged violation of any duty arising out of or related to membership in the health plan, including any claim for medical or hospital malpractice (a claim that medical services were unnecessary or unauthorized or were improperly, negligently, or incompetently rendered), for premises liability, or relating to the coverage for, or delivery of, services or items, irrespective of legal theory, must be decided by binding arbitration under California law and not by lawsuit or resort to court process, except as applicable law provides for judicial review of arbitration proceedings. I agree to give up our right to a jury trial and accept the use of binding arbitration.
